

St Vincent de Paul Catholic Primary School

Code of Conduct for Employees

INTRODUCTION

As an employer, the Governing Body is required to set out a Code of Conduct for all school employees.

As a Catholic School, all adults in school are expected to actively follow and live out our mission statement: 'Serving with Love, Striving for Excellence'.

The mission statement reflects how the family of St Vincent de Paul is always to conduct itself. All communication and interaction between members of the family of St Vincent's - staff, children, parents, carers and visitors must reflect our mission statement.

Furthermore, as part of the Catholic Education Service terms and conditions, staff are expected to be conscientious and loyal to the aims and objectives of the School.

In addition, staff are required to develop, have regard for and maintain the Catholic character of the School and not do anything in any way detrimental or prejudicial to the interests of the same at any time, at work or from home.

All staff employed under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

Staff should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action, including dismissal.

1 PURPOSE, SCOPE AND PRINCIPLES

A Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe, and the school should notify staff of this code and the expectations therein. School staff are in a unique position of influence and must adhere to behaviour that models the highest possible standards for all the pupils within the school. As a member of a school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside of working hours.

2 SETTING AN EXAMPLE

- 2.1 All staff who work in schools set examples of behaviour and conduct which can be copied by pupils. Staff must always therefore avoid using inappropriate or offensive language.
- 2.2 All staff must, therefore, demonstrate the highest standards of conduct in order to encourage our pupils to do the same.
- 2.3 All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.
- 2.4 This Code helps all staff to understand what is acceptable behaviour.

3 SAFEGUARDING PUPILS

- 3.1 Staff have a duty to safeguard pupils from:
- neglect
 - physical abuse
 - sexual abuse
 - emotional abuse
- 3.2 The duty to safeguard pupils includes the duty to report concerns about a pupil to the school's Designated Safeguarding Lead (DSL) for Child Protection.
- 3.3 The school's DSL is Lisa Salters (HT)
The school's Deputy DSLs are Clare Parkinson (AHT) and Debbie Foy (AHT). Peter Allen and Melissa Wenton are also members of the Safeguarding Team.
- 3.4 Staff are provided with personal copies of the school's Child Protection Policy and Whistleblowing Procedure. Staff must be familiar with these documents and take immediate action when any concern arises. Copies of these are available in the staffroom.
- 3.5 Staff must not demean or undermine pupils, their parents or carers, or colleagues.
- 3.6 Staff must take the utmost care of pupils under their supervision with the aim of ensuring their safety and welfare.

4. ACCEPTABLE USE OF ICT EQUIPMENT

- 4.1 This policy should be read in conjunction with the Online Safety and Data Security Policy.
- 4.2 Staff, Governors and Visitors should read and sign the 'Acceptable Use Agreement' annually. See Online Safety and Data Security Policy.
- 4.3 Staff who are in contact with pupils should not use their mobile phones in school during their directed hours / paid hours of employment. Outside of these times, mobile phones should only be used in areas of the school where pupils are not present.
- 4.4 Staff must not use their mobile phone as a camera in school. Any photograph/video must be taken using school equipment. Staff must only save images on school computers.

5 PUPIL DEVELOPMENT

- 5.1 Staff must comply with school policies and procedures that support the well-being and development of pupils.
- 5.2 Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils.
- 5.3 Staff must follow reasonable instructions that support the development of pupils.

6 HONESTY AND INTEGRITY

- 6.1 Staff must maintain the highest standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.
- 6.2 All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept, or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to the Whistleblowing procedure for schools. (Further information is available from our Anti-Bribery policy on our website.)
- 6.3 Gifts from suppliers or associates of the school must be declared to the Headteacher, or to the Chair of Governors if the Headteacher is the recipient, with the exception of "one off" token gifts from pupils or parents. Personal gifts from individual members of staff to pupils are inappropriate and could be misinterpreted.

7 CONDUCT OUTSIDE WORK

- 7.1 Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the school or the employee's own reputation or the reputation of other members of the school community. Any such conduct could lead to dismissal.
- 7.2 In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable and could lead to dismissal.
- 7.3 Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Staff must not use social media e.g. Facebook with pupils or former pupils.
- 7.4 Staff must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute.
- 7.5 Staff must only use their school email account or school learning platform account when communicating electronically with pupils, parents and colleagues.
- 7.6 Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school and is not to a level which may contravene the working time regulations or affect an individual's work performance.
- 7.7 All members of staff must declare any business interests outside of school that may be connected either to the supply of goods / services to the school or be rewarded through association with the school.

8 CONFIDENTIALITY

- 8.1 Where staff have access to confidential information about pupils or their parents or carers, staff must not reveal such information except to those colleagues who have a

professional role in relation to the pupil.

- 8.2 All staff are likely at some point to witness actions which need to be confidential. For example, where a pupil is bullied by another pupil (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate school procedure. It must not be discussed outside the school, including with the pupil's parent or carer, nor with colleagues in the school except with a senior member of staff with the appropriate role and authority to deal with the matter.
- 8.3 However, staff have an obligation to share with their Line Managers and the school's Designated Safeguarding Lead any information which gives rise to concern about the safety or welfare of a pupil. Staff cannot promise children confidentiality and explain to the pupil who they will need to tell and why.

9 DISCIPLINARY ACTION

- 9.1 All staff need to recognise that failure to meet these standards of behaviour and conduct may result in disciplinary action, including dismissal.

When we speak to others we will:

- use a positive statement rather than a negative one so that children can learn what we expect of them in any situation.
- always use a calm tone of voice, to explain something to or instruct the children, so that they can follow our words without feeling threatened or uncomfortable.
- avoid using sarcastic words or phrases as these demean children and prevent them from developing high self-esteem.
- always speak respectfully to other adults, even if we disagree with them.

As professionals we will:

- avoid workplace gossip and negativity as it breeds resentment and becomes a roadblock to effective communication and collaboration. We all have a duty to take active steps to divert conversations away from this if we come across it.
- maintain confidentiality about anything that we see or hear in the school, so that parents and children can trust us, and as a way of showing respect to our fellow professionals.
- work as part of a team, contributing as well as learning from others and helping to build up a strong workforce so that we can provide the best possible learning opportunities for the children.
- work within the school's policies and practices, so that what we do is consistent with what has been agreed between all members of the staff and the governors.
- treat everyone with respect.
- dress appropriately, so that we set a good example for the children and to show that we are here to work.
- behave in a positive way despite any personal problems that we may have, especially in front of the children.

Appendix 2- from *Teachers' Standards Effective from 1 September 2012 (DfE)*

PERSONAL AND PROFESSIONAL CONDUCT

A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career.

Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:

- treating pupils with dignity, building relationships always rooted in mutual respect and observing proper boundaries appropriate to a teacher's professional position
- having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions
- showing tolerance of and respect for the rights of others
- not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs
- ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law

Teachers must have proper and professional regard for the ethos, policies and practices of the school in which they teach and maintain high standards in their own attendance and punctuality.

Teachers must understand, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
